

ENCORE™ TF

ATF
SERIES

ON-WALL/OFF-WALL THEATER CENTER/SURROUND

FLEXIBLE, VERSATILE, HIGH-RESOLUTION CENTER CHANNEL

Designed to serve as an high performance center in home theater environments, the compact Encore TF delivers exceptional performance at a very affordable price. An Advanced Thin Film driver, long-excursion low-mass woofers, and sophisticated crossover engineering combine to produce sound with a lifelike clarity and openness. Encore TF delivers compelling center channel reproduction whether mounted beneath a high definition flat screen or used with the included table top stand. Additionally, the Encore TF is highly adaptable, working equally well mounted horizontally or vertically in surround sound applications.
